OUR MISSION

Customer Focus

Exceed customer expectations through a commitment to continuous improvement of our products and services.

Quality Products

Offer the marketplace a broad range of high quality, cost effective, and durable products of superior craftsmanship.

Organizational Excellence

Strive for excellence in all we do by fostering a participative, team based environment, which nurtures the active involvement of all members of the organization.

Marketplace Recognition

Earn the respect, admiration, and loyalty of our people, customers, and suppliers by treating them with dignity and respect, embracing diversity, and developing and maintaining long term partnerships.

Collaborative Workplace

Encourage all employees to work safely and efficiently, contribute innovative ideas, and personally benefit from the ongoing success of the company.

The logo for Blickman, featuring the word "BLICKMAN" in a bold, white, sans-serif font. The text is contained within a dark blue rectangular box with a thin white border. The box has a slight 3D effect with a lighter blue shadow on the right side.

THE BLICKMAN DIFFERENCE

- Our high quality, heavy-gauge, noise-reducing, solution stands and receptacles ensure your solutions and waste products are easily collected and disposed of in these easy-to-move, easy-to-clean product.
- Our solution stands and receptacles move effortlessly and quietly on 2" swivel casters, and are made out of our high-quality, easy-to-clean 304 stainless steel with MR conditional options available for both.
- Our solution stands are 33" high for compatibility with surgical table heights and are in the safe zone for reduced back stress, and our receptacles are low to the floor to pass under surgical tables and make it easy to drop waste into without reaching around the table.
- Our basins and pails are removable for both the solution stands and receptacles that are held in place by rubber bumpers that also help prevent noise from metal on metal contact.

Key Product Features

Solution Stands

Description: We offer two types of stainless steel solution stands: a single basin model and a double basin model. Our solution stands are 33" tall offering compatibility with surgical table heights and are in the safe zone for reduced back stress. Choose between a lower shelf or an H-brace for added storage and support. MR conditional models available.
