## Original Parts List

This list is may contain older part numbers that may be used to cross reference with new part numbers.

| Part                           | Part Number    | Full Description                                  | Notes                                        |
|--------------------------------|----------------|---------------------------------------------------|----------------------------------------------|
| BOTTOM COVER/PLATE - FOOD WELL | 027-ANK-0038-S | COVER,BTM,HTR,FLXW                                |                                              |
| COMPRESSOR                     | 3527215        | COMP,R290,0.20HP,115V                             | Comes with start components                  |
| COMPRESSOR OVERLOAD            | 3527218        | OVERLOAD,COMP,3527215 TECUMSEH MSP56AMN           |                                              |
| COMPRESSOR RELAY               | 3527216        | START RELAY,COMP 3527215 TECUMSEH# 9660C-3018-147 |                                              |
| COMPRESSOR START CAP           | 3527217        | START CAP, COMP,3527215,TECUMSEH,85S-10088        |                                              |
| CONDENSER COIL                 | 3510007        | COIL,COND.,R290,DUAL CIRCUIT                      |                                              |
| CONDENSER FAN BLADE            | 3516480        | BLADE,FAN,7.25DIA,37 DEG CW                       |                                              |
| CONDENSER FAN GUARD            | 2160020        | GUARD, FAN, 7.25OND                               |                                              |
| CONDENSER FAN MOTOR            | 2162717        | MOTOR,FAN,9W,115V,CW                              |                                              |
| DRIER                          | 3516478        | DRIER,1.5IN3,DML,(2)IN 1/4,OUT 1/4                |                                              |
| EXPANSION VALVE                | 3517414        | VALVE,THERM EXP,W/O MOP,R290                      |                                              |
| HEATING ELEMENT                | 2190062        | ELEMENT,HEATING,240V / 500W                       |                                              |
| HEATING ELEMENT PAN            | 000-518-0031-S | ASSY,HTR,FIXED                                    | Includes element pan, high limit and element |
| HIGH LIMIT                     | 6190190        | SWITCH,HI LIMIT,AUTO RESET                        |                                              |
| LOUVER PANEL                   | 359-411-03G-S  | PANEL,LVRED,DROPIN                                |                                              |
| PROBE                          | 2194809        | PROBE,AIR SENSING,118"LG DANFOSS,CNTRL            |                                              |
| SWITCH - POWER                 | 2198718        | SWITCH,SEALED,DPDT-CNTR OFF                       |                                              |
| TEMP CONTROL COLD              | 000-CZ0-0118-S | ASSY,CTRL,FLEXIWELL,COLD                          | Does not come with probe                     |
| TEMP CONTROL HOT               | 000-CZ0-0117-S | ASSY,CTRL,FLEXIWELL,HOT                           | Does not come with probe                     |
| TEMP CONTROL KNOB              | 3230016        | KNOB,REM. SPINDLE                                 |                                              |
| TEMP CONTROL KNOB SPINDLE      | 2190092        | SPINDLE,REM. DANFOSS                              |                                              |
