General Information

Omcan Manufacturing and Distributing Company Inc., Food Machinery of America, Inc. dba Omcan and Omcan Inc. are not responsible for any harm or injury caused due to any person's improper or negligent use of this equipment. The product shall only be operated by someone over the age of 18, of sound mind, and not under the influence of any drugs or alcohol, who has been trained in the correct operation of this machine, and is wearing authorized, proper safety clothing. Any modification to the machine voids any warranty, and may cause harm to individuals using the machine or in the vicinity of the machine while in operation.

CHECK PACKAGE UPON ARRIVAL

Upon receipt of an Omcan shipment please inspect for external damage. If no damage is evident on the external packaging, open carton to ensure all ordered items are within the box, and there is no concealed damage to the machine. If the package has suffered rough handling, bumps or damage (visible or concealed), please note it on the bill of lading before accepting the delivery and contact Omcan within 24 hours, so we may initiate a claim with the carrier. A detailed report on the extent of the damage caused to the machine must be filled out within three days, from the delivery date shown in the shipping documents. Omcan has no recourse for damaged products that were shipped collect or third party.

Before operating any equipment, always read and familiarize yourself with all operation and safety instructions.

Omcan would like to thank you for purchasing this machine. It's of the utmost importance to save these instructions for future reference. Also save the original box and packaging for shipping the equipment if servicing or returning of the machine is required.

Omcan Fabrication et distribution Compañie Limité et Food Machinery d'Amérique, dba Omcan et Omcan Inc. ne sont pas responsables de tout dommage ou blessure causé du fait que toute personne ait utilisé cet équipement de façon irrégulière. Le produit ne doit être exploité que par quelqu'un de plus de 18 ans, saine d'esprit, et pas sous l'influence d'une drogue ou d'alcool, qui a été formé pour utiliser cette machine correctement, et est vêtu de vêtements de sécurité approprié. Toute modification de la machine annule toute garantie, et peut causer un préjudice à des personnes utilisant la machine ou des personnes à proximité de la machine pendant son fonctionnement.

VÉRIFIEZ LE COLIS DÈS RÉCEPTION

Dès réception d'une expédition d'Omcan veuillez inspecter pour dommages externes. Si aucun dommage n'est visible sur l'emballage externe, ouvrez le carton afin de s'assurer que tous les éléments commandés sont dans la boîte, et il n'y a aucun dommage dissimulé à la machine. Si le colis n'a subi aucune mauvaises manipulations, de bosses ou de dommages (visible ou cachée), notez-le sur le bond de livraison avant d'accepter la livraison et contactez Omcan dans les 24 heures qui suivent, pour que nous puissions engager une réclamation auprès du transporteur. Un rapport détaillé sur l'étendue des dommages causés à la machine doit être rempli dans un délai de trois jours, à compter de la date de livraison indiquée dans les documents d'expédition. Omcan n'a aucun droit de recours pour les produits endommagés qui ont été expédiés ou cueilli par un tiers transporteur.

General Information

Avant d'utiliser n'importe quel équipement, toujours lire et vous familiariser avec toutes les opérations et les consignes de sécurité.

Omcan voudrais vous remercier d'avoir choisi cette machine. Il est primordial de conserver ces instructions pour une référence ultérieure. Également conservez la boîte originale et l'emballage pour l'expédition de l'équipement si l'entretien ou le retour de la machine est nécessaire.

Omcan Empresa De Fabricacion Y Distribucion Inc. Y Maquinaria De Alimentos De America, Inc. dba Omcan y Omcan Inc. no son responsables de ningun daño o perjuicio causado por cualquier persona inadecuada o el uso descuidado de este equipo. El producto solo podra ser operado por una persona mayor de 18 años, en su sano juicio y no bajo alguna influencia de droga o alcohol, y que este ha sido entrenado en el correcto funcionamiento de esta máquina, y ésta usando ropa apropiada y autorizada. Cualquier modificación a la máquina anula la garantía y puede causar daños a las personas usando la máquina mientras esta en el funcionamiento.

REVISE EL PAQUETE A SU LLEGADA

Tras la recepcion de un envio Omcan favor inspeccionar daños externos. Si no hay daños evidentes en el empaque exterior, Habra el carton para asegurarse que todos los articulos solicitados estén dentro de la caja y no encuentre daños ocultos en la máquina. Si el paquete ha sufrido un manejo de poco cuidado, golpes o daños (visible o oculto) por favor anote en la factura antes de aceptar la entrega y contacte Omcan dentro de las 24 horas, de modo que podamos iniciar una reclamación con la compañía. Un informe detallado sobre los daños causados a la máquina debe ser llenado en el plazo de tres días, desde la fecha de entrega que se muestra en los documentos de envío. Omcan no tiene ningun recurso por productos dañados que se enviaron a recoger por terceros.

Antes de utilizar cualquier equipo, siempre lea y familiarizarse con todas las instrucciones de funcionamiento y seguridad.

Omcan le gustaría darle las gracias por la compra de esta máquina. Es de la mayor importancia para salvar estas instrucciones para futuras consultas. Además, guarda la caja original y el embalaje para el envío del equipo si servicio técnico o devolución de la máquina que se requiere.

Safety and Warranty

- The equipped protections do not allow the operator to accidentally get in contact with the operating parts that move.
- The machine is equipped with an overload switch that protects the motor in the event of any undue stress as a prolonged blockage of the motor.
- Do not wear loose clothing when operating the machine.
- Make sure hair is gathered and secure to avoid injury.
- NEVER use tools not intended for the machine to help during operation.

Safety and Warranty

- NEVER touch the moving parts of the machine.
- NEVER connect the power source with wet hands or wet clothes.
- ALWAYS ground the machine properly.
- NEVER spray water or other liquid substances directly at the motor, power switch or any other electrical components.
- ALWAYS install equipment in working area with adequate light and away from CHILDREN and non-trained personnel.
- NEVER operate without all warning labels attached and owner/operator manual available.
- NEVER leave the machine unattended while operating.
- STOP the machine immediately if you hear abnormal noises or fear that injuries may occur.
- CONTACT your distributor if you have any problems with the installation or operation of this machine.
- ALWAYS turn the machine off before cleaning and maintenance.
- PROVIDE enough space around the machine.
- ALWAYS keep the floor dry. Wet floors may cause the operator to slip.
- ALWAYS turn the machine off in the case of a short circuit.
- NEVER let dust or water get into electrical or mechanical components of the machine.

1 YEAR PARTS AND LABOUR BENCH WARRANTY

Within the warranty period, contact Omcan Inc. At 1-800-465-0234 to schedule a drop off to either an Omcan authorized service depot in the area, or to an Omcan Service warehouse to repair the equipment.

Unauthorized maintenance will void the warranty. Warranty covers electrical and part failures, not improper use.

Please see www.omcan.com/warranty.html for complete info.

WARNING:

The packaging components are classified as normal solid urban waste and can therefore be disposed of without difficulty.

In any case, for suitable recycling, we suggest disposing of the products separately (differentiated waste) according to the current norms.

DO NOT DISCARD ANY PACKAGING MATERIALS IN THE ENVIRONMENT!

Technical Specifications

Model	GR-IT-0080	GR-IT-0080-S
Power	1.5 HP / 1.12 kW	
Electrical	110 V / 60 Hz / 1	
Weight	37.4 lbs. / 17 kg.	
Dimensions (DWH)	9.8" x 9.8" x 22.4" / 249.9 x 249.9 x 570mm	
Item Number	11411	*23865

*comes with extra safety features.

Installation

UNPACKING

Immediately after unpacking the machine, check it for possible shipping damage. If this machine is found to be damaged after unpacking, save the packing material and contact the carrier.

Installation

Prior to installation, test the electrical service to assure that it agrees with the specifications on the machine data plate.

ELECTRICAL

WARNING: This machine is provided with this plug,  this plug must be connected to a properly grounded outlet. If the receptacle is not the proper grounding type, contact an electrician.

Operation

IMPORTANT

Very easy to operate: once started you only need to put into the filler your dry bread to grate it fine and homogeneous.

HOW TO LOAD THE PRODUCT TO BE CUT

Bread can be put in the machine also when grater is operating.

1. Place a bag on the specific tongs to collect grated bread.
2. Put and drop bread in the cylinder hollow.
3. Place the switch on 0 position.
4. Take away the bag where grated bread has been collected.

WARNING

In case of a blockage to the motor follow these instructions:

1. Turn the switch to the 0 position.
2. Turn it to the reverse position and keep it just few seconds in this position: the direction of rotation is reversed, unblocking it.
3. Turn the switch to the 1 position to restart the normal operation. If the motor continues to block, repeat the instructions from 1 to 3 until the machine operates normally.

When the grating operation is finished switch off the toggle placing it on 0 position.

OVERLOAD SWITCH

The machine is equipped with an overload switch that protects the motor in the event of any undue stress as a prolonged blockage of the motor.

The overload switch switches off the power and stops the machine.

Operation

To restart the machine it is necessary to:

1. Place the machine on its side; the overload switch is on the lower section.
2. Re-position the switch to 0.
3. Disconnect the machine from the main supply.
4. Remove the cause of the blockage.
5. Wait approximately 10 sec.
6. Push the push button to reactivate the motor protector.
7. Restart the machine.

Maintenance

CLEANING

The materials utilized, anodized aluminium, stainless steel and plastics have been selected with due regard to hygiene regulations: "Rule CE n. 1935/2004 for the materials and things destined to come into contact with food".

WARNING: disconnect machine from socket.

1. Loosen both cylindrical loading filler screws.
2. Lift cylindrical loading filler by tilting it slightly forward.
3. Loosen both fixing screws.
4. Extract drain from screws.
5. Use a brush to clean crumbling powder and if necessary an aspirator.

Maintenance

Maintenance

This machine must be thoroughly cleaned and sanitized after installation and before being put into service.

ASSEMBLING

1. Reallocate drain between screws.
2. Fasten both fixing screws.
3. Allocate cylindrical filler by tilting it forward.
4. Fasten filler cylindrical locking screws.

Thank you for choosing Omcan | Merci d'avoir choisi Omcan | Gracias por elegir Omcan

Since 1951 Omcan has grown to become a leading distributor of equipment and supplies to the North American food service industry. Our success over these many years can be attributed to our commitment to strengthen and develop new and existing relationships with our valued customers and manufacturers. Today with partners in North America, Europe, Asia and South America, we continually work to improve and grow the company. We strive to offer customers exceptional value through our qualified local sales and service representatives who provide convenient access to over 3,500 globally sourced products.

Depuis 1951 Omcan a grandi pour devenir un des “leaders” de la distribution des équipements et matériel pour l’industrie des services alimentaires en Amérique du Nord. Notre succès au cours de ces nombreuses années peut être attribué à notre engagement à renforcer et à développer de nouvelles et existantes relations avec nos clients et les fabricants de valeur. Aujourd’hui avec des partenaires en Amérique du Nord, Europe, Asie et Amérique du Sud, nous travaillons continuellement à améliorer et développer l’entreprise. Nous nous efforçons d’offrir à nos clients une valeur exceptionnelle grâce à nos ventes locales qualifiées et des représentants de service qui offrent un accès facile à plus de 3500 produits provenant du monde entier.

Desde 1951 Omcan ha crecido hasta convertirse en un líder en la distribución de equipos y suministros de alimentos en América del Norte industria de servicios. Nuestro éxito en estos años se puede atribuir a nuestro compromiso de fortalecer y desarrollar nuevas relaciones existentes con nuestros valiosos clientes y fabricantes. Hoy con socios de América del Norte, Europa, Asia y América del Sur, que trabajan continuamente para mejorar y crecer la empresa. Nos esforzamos por ofrecer a nuestros clientes valor excepcional a través de nuestro local de ventas y representantes de los servicios que proporcionan un fácil acceso a más de 3,500 productos con origen a nivel mundial.
