## Model RS-CN-0370-L 44544

| Item No. | Description                            | Position | Item No. | Description                                | Position | Item No. | Description                                  | Position |
|----------|----------------------------------------|----------|----------|--------------------------------------------|----------|----------|----------------------------------------------|----------|
| 60562    | Front Wheels for 44544                 | 1        | 68363    | Rear Ventilation Board for 44544           | 30       | 66351    | Fan Blade for 44544                          | 58       |
| 60561    | Rear Wheels for 44544                  | 2        | 68327    | Honeycomb Plate for 44544                  | 31       | 60932    | Flange for 44544                             | 59       |
| 68351    | Base Assembly for 44544                | 3        | 68364    | Honeycomb Fixing Plate for 44544           | 32       | 68337    | Motor for 44544                              | 60       |
| 61246    | Wire Clip Holder for 44544             | 4        | 68365    | Honeycomb Fixing Plate for 44544           | 33       | 68382    | Dead Plate of Evaporator Motor for 44544     | 61       |
| 61245    | Wire Clip Cover for 44544              | 5        | 68366    | Left Support of Evaporator Motor for 44544 | 34       | 68383    | Air Deflector for 44544                      | 62       |
| 60726    | Power Cord for 44544                   | 6        | 68367    | Left Baffle of Air Duct for 44544          | 35       | 68384    | Evaporator for 44544                         | 63       |
| 67690    | Compressor Protect Probe for 44544     | 7        | 68317    | Left Board for 44544                       | 36       | 68385    | Evaporator Extended Board for 44544          | 64       |
| 68353    | Temperature Sensor for 44544           | 8        | 68318    | Left Glass for 44544                       | 37       | 68386    | Right Baffle of Air Ducts for 44544          | 65       |
| 68313    | Left Board for 44544                   | 9        | 30744    | Water Pipe for 44544                       | 38       | 68387    | Right Support for Evaporator Motor for 44544 | 66       |
| 68354    | Compressor Base Board for 44544        | 10       | 68368    | Snap Ring for 44544                        | 39       | 68388    | Evaporator Water Tray for 44544              | 67       |
| 68355    | Compressor for 44544                   | 11       | 68369    | Baseboard for 44544                        | 40       | 68389    | Bottom Foam of Evaporator for 44544          | 68       |
| 67642    | Cover of Terminal Box for 44544        | 12       | 68370    | Rear Board for 44544                       | 41       | 68390    | Base Cover for 44544                         | 69       |
| 68356    | Driver for 44544                       | 13       | 68371    | Curtain for 44544                          | 42       | 68391    | High Pressure Copper Pipe for 44544          | 70       |
| 60590    | PVC Trucking for 44544                 | 14       | 68372    | LED for 44544                              | 43       | 60652    | Platen of Heater for 44544                   | 71       |
| 60594    | Cover of Circuit Board Box for 44544   | 15       | 60637    | Jump Ring of LED for 44544                 | 44       | 68392    | Water Tray Support for 44544                 | 72       |
| 67649    | Main Circuit Board for 44544           | 16       | 68373    | Upper Decorative Sheet for 44544           | 45       | 68393    | Pan of High Temperature Pipe for 44544       | 73       |
| 61167    | Circuit Board Box for 44544            | 17       | 68374    | Top Fixing Plate for 44544                 | 46       | 68394    | Seal Ring for 44544                          | 74       |
| 67643    | Terminal Box for 44544                 | 18       | 68375    | Top Decorative Sheet for 44544             | 47       | 68395    | Bibcock for 44544                            | 75       |
| 68357    | Stiffening Plate of Base for 44544     | 19       | 68328    | Right Glass for 44544                      | 48       | 60587    | Water Receiver for 44544                     | 76       |
| 68358    | High Pressure Joint Pipe for 44544     | 20       | 68329    | Right Board for 44544                      | 49       | 68396    | Motor for 44544                              | 77       |
| 61224    | Dry Filter for 44544                   | 21       | 68376    | Air Intake Support for 44544               | 50       | 68397    | Condenser for 44544                          | 78       |
| 68359    | Pressing Plate of Dry Filter for 44544 | 22       | 68377    | Windshield of Air Intake for 44544         | 51       | 60670    | PPR Pipe Clamp for 44544                     | 79       |
| 68360    | Net in Base for 44544                  | 23       | 68378    | Air Intake for 44544                       | 52       | 68398    | Copper Connection for 44544                  | 80       |
| 68361    | Switch Panel for 44544                 | 24       | 68379    | Windshield for 44544                       | 53       | 60668    | Drain Pipe for 44544                         | 81       |
| 68298    | Switch Base for 44544                  | 25       | 68331    | Windshield Clamp for 44544                 | 54       | 68301    | Strong Magnet for 44544                      | 82       |
| 68299    | Switch Base Lid for 44544              | 26       | 68380    | Saddle Bar for 44544                       | 55       | 68399    | Window-Shades Assembly for 44544             | 83       |
| 71514    | Switch for 44544                       | 27       | 68402    | Front Decorating Board for 44544           | 56-1     | 68400    | Supporting Plate of Window-Shades for 44544  | 84       |
| 68300    | Display for 44544                      | 28       | 68403    | Front Dead Plate for 44544                 | 56-2     | 68330    | Right Board for 44544                        | 85       |
| 68362    | Baseboard for 44544                    | 29       | 68381    | Evaporator Support for 44544               | 57       | 68401    | Stiffening Strip of Switch Panel for 44544   | 86       |
