

RS160 and RS220 SERVICE PARTS

This parts list contains the parts available for the RS160 and the RS220 ice and soda dispensers. These two models share many components, but not all.

Check the model number, and refer to the correct column list.

Options to the basic model of color, a lighted sign, or valve quantity & brand add to the details that may alter a part number.

Check very carefully that the correct part is ordered.
