DESCRIPTION OF CHANGE
1. The first change is the addition of a new column, "Description of Change," to the table. This column is located to the right of the "Change" column and is used to provide a detailed description of the change being made. 2. The second change is the addition of a new row, "Change," to the table. This row is located below the "Description of Change" column and is used to provide a detailed description of the change being made. 3. The third change is the addition of a new row, "Description of Change," to the table. This row is located below the "Change" row and is used to provide a detailed description of the change being made. 4. The fourth change is the addition of a new row, "Change," to the table. This row is located below the "Description of Change" row and is used to provide a detailed description of the change being made. 5. The fifth change is the addition of a new row, "Description of Change," to the table. This row is located below the "Change" row and is used to provide a detailed description of the change being made. 6. The sixth change is the addition of a new row, "Change," to the table. This row is located below the "Description of Change" row and is used to provide a detailed description of the change being made. 7. The seventh change is the addition of a new row, "Description of Change," to the table. This row is located below the "Change" row and is used to provide a detailed description of the change being made. 8. The eighth change is the addition of a new row, "Change," to the table. This row is located below the "Description of Change" row and is used to provide a detailed description of the change being made. 9. The ninth change is the addition of a new row, "Description of Change," to the table. This row is located below the "Change" row and is used to provide a detailed description of the change being made. 10. The tenth change is the addition of a new row, "Change," to the table. This row is located below the "Description of Change" row and is used to provide a detailed description of the change being made.
