Installation and Maintenance Instructions

Limited One Year Warranty (Commercial Applications)

T&S warrants to the original purchaser (other than for purposes of resale) that such product is free from defects in material and workmanship for a period of one (1) year from the date of purchase. During this one-year warranty period, if the product is found to be defective, T&S shall, at its options, repair and/or replace it. To obtain warranty service, products must be returned to...

T&S Brass and Bronze Works, Inc.
Attn: Warranty Repair Department
2 Saddleback Cove
Travelers Rest, SC 29690

Shipping, freight, insurance, and other transportation charges of the product to T&S and the return of repaired or replaced product to the purchaser are the responsibility of the purchaser. Repair and/or replacement shall be made within a reasonable time after receipt by T&S of the returned product. This warranty does not cover items which have received secondary finishing or have been altered or modified after purchase, or for defects caused by physical abuse to or misuse of the product, or shipment of the products.

Any express warranty not provided herein, and any remedy for Breach of Contract which might arise, is hereby excluded and disclaimed. Any implied warranties of merchantability or fitness for a particular purpose are limited to one year in duration. Under no circumstances shall T&S be liable for loss of use or any special consequential costs, expenses or damages.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Specific rights under this warranty and other rights vary from state to state.

⚠ Attention California Residents:

WARNING This product can expose you to chemicals including Lead, Chromium (hexavalent compounds) and Phthalates (DEHP) which are known to the State of California to cause cancer and birth defects or other reproductive harm.

Before starting the installation, be sure to flush supply lines and shut off water supply.

Step 1:

Take center shank out of body.

Step 2:

Place hanger on body. Add center flange nut to top of compression nut.

Step 3:

Place indexes around each hole with groove facing up. Insert body into deck holes until hanger snaps to top of counter. Place C-washers under edge of each side body and push down to snap C-washer to index.

Step 4:

Squeeze hanger loops and allow hanger to fall through hole.

Step 5:

Place center body through center hole into main body. Tighten three flange nuts. Tighten compression nut to seal center body.

Step 6:

Add handles as shown. Tighten set screw and cover hole with chrome buttons. Turn on water supply and check for leaks.

Note: If desired, black indexes to be used in place of hot/cold.
